

Lancaster Aero LLC.

3 Year / 500 Hour Paint Warranty

Lancaster Aero LLC is proud of its first class aircraft refurbishing service to the aviation industry and is pleased to offer an industry leading paint warranty. Lancaster Aero LLC will warrant its paint process, materials and labor for a period of 3 years or 500 flight hours from the date of completion, whichever is reached first.

Conditions as Follows:

1. Customer Signifies his total acceptance of workmanship upon taking delivery of the aircraft.
2. Warranty will cover adhesion to aluminum surfaces. Exceptions include paint deterioration due to normal wear which includes routine maintenance, exposure or improperly cared for surfaces, negligence and accident are not considered warranty conditions.
3. Chipping and other paint damage due to normal wear and tear caused by routine disassembly of the aircraft is not considered warranty.
4. Miss-use, including rain and hail damage, static discharge damage, hanger rash, and refueling damage are not covered under this paint warranty.
5. Paint defects or loss of adhesion caused by corrosion associated with or extending from lap seams or internal corrosion causing paint defects. Defects caused by leaking fuel tanks are not warranted.
6. Lancaster Aero LLC will correct paint discrepancies in a manner that they deem appropriate.
7. Magnesium components are not covered by this warranty.
8. Composite surfaces and composite parts, unless resurfaced with new fiberglass cloth and epoxy resin by Lancaster Aero LLC are excluded from this warranty.
9. Steel fasteners and other hardware are excluded from this warranty.
10. This warranty does not cover pieces furnished by the owner.
